### Inspiration

"If you are not a Corporate Chic, you are still some type of chic handling your business. And even if you are not handling your business as you should be, know that you have everything you need to become a successful woman." ~Koilya Privil

### Corporate Chics: The Book

Corporate Chics the book, is an entertaining novel about a beautiful, educated, Native American who recently graduated college and has entered the corporate world. Through friendships with co-workers in her new role, she is on a consistent journey of learning all about life through their mistakes but most importantly her experiences. On this journey, Koilya learns vital lessons about finances, marriage, sex, love, false perceptions, envy, friendship, and infidelity. If she doesn't wake up and realize that her selfishness is the reason for the misfortune she is encountering, she could ultimately lose everything that she has worked so hard to obtain. Women from all walks of life can relate to the story and the issues it explores.

BOOK LAUNCH DATE: OCTOBER 1, 2009
